

November 2017 Update from the Renos in Brazil

Dear Praying Friends,

Thank you once again for upholding us in prayer. We have seen the fruit of your prayers in God's loving care and protection.

*John's health and strength is greatly improved.

* John and Fernanda continue to have Friday night Bible studies in the home of Naza and Divan in Liberty. One week they were unable to use the pavilion for Sunday School, and were invited to use Naza's yard. Divan has mentioned the possibility of building a structure that could be used regularly for Sunday School. Pray for both Naza and Divan's salvation and wisdom in this project.

This past Sunday's protest from a distance

*Sunday morning, Hannah and Flávia headed out of town to teach Sunday School in Jutai and Jutaizinho and came across a roadblock. A large group of people had gathered to protest the disappearance of a taxi driver and the lack of interest on the part of our police to find him. Tires were burned in the road and people filled both lanes to prevent vehicles from entering or leaving the city. Though Hannah and Flávia were unable to visit the villages, God graciously protected them!

*We were able to hold another service in Jutai and had our three faithful Sunday School women, children as well as a family visit. Please be in prayer for this month's service on November 16th.

*Hannah was invited to begin Bible classes in the public school in Jutai and had a wonderful start to those classes last Thursday. We continue to pray for open doors into other villages of the Santarém Novo municipality.

* In Salinas we have seen God blessing in various ways. We have had visitors at the El Shadai Bible Church plant. Marcello has come back to services after being gone nearly a year. Please pray with us for his salvation. We also were able to share the gospel with a nun when she came by the house. Please pray for Rita!

Please pray!!!

- **November 5th we will celebrate the 17th anniversary of the work here in Salinas.**
- **November 16th there will be an evangelistic service in Jutai.**
- **November 22nd Robynn returns to the field!!! Our parents will also be arriving for a two week visit ☺**
- **November 30th A baptismal service is planned in Salinas.**

Thank you again for your prayers and support!

Love,
