Dear Praying Friends,

Thank you again for praying for us! Easter morning John and his family were able to hold a service in Liberty. They had a wonderful turn out and are looking forward to the continued progress in the work there. Recently they made a visit in a home of a man with tuberculosis and were invited to hold a service for his extended family. Praise the Lord for what He is doing in Liberty!

On Saturday afternoons Robynn and Hannah have been working with our junior aged children. For many months, we taught missionary stories and worked on general Bible knowledge with them. Recently, Robynn has been teaching them to take a principle and then consider what Bible stories they know that apply that principle. One week the principle was, “We must have faith to please God” based on Hebrews 11:6. What a joy it was to see them quickly listing many Biblical examples of people that had faith and pleased God. One Wednesday night this past month these young people were responsible for our service and Bobby shared what they had been learning for the devotional. Please pray for continued spiritual growth for these precious children.

May promises to be busy with many blessed opportunities. John hopes to hold a Sunday Morning service in three villages as well as continue working with the developing church in Salinas. The evangelistic meetings last month were postponed until this coming week and will be held at Val’s house. Please pray for her dad who is lost and should be present!

Robynn and Hannah hope to teach weekly Bible classes at ABRE and four public schools in Salinas, as well as monthly classes in 6 villages. Please also pray for the Sunday School in Jutaizinho that has been struggling since our return from the States. The Sunday School and weekly Bible study in Jutai have a faithful core group and we are longing to see the Lord save a few more from this village!

Thank you ever so much for being our Aaron and Hur in holding us up in prayer!

Love,
