July 2019

Sending Church: Bible Brethren Church

17829 Woodcrest Rd. Hagerstown, MD 21740

Dear Praying Friends,

Praise the Lord with us:

1. Thank the Lord for a good week of meetings in John and Fernanda's home. Continue to pray for the salvation of the lost that are attending El Shadai.
2. What an absolute joy it has been to have Dani back after serving in Madagascar almost three years. Our people have been blessed to hear how the Lord has helped and used her there! Pray for her as she continues to readapt to life here in Brazil. Pray also for her sister Kelly who lives at home and has been struggling with depression and some deep spiritual needs.
3. The small group of believers in Jutai were able to rent a van and come in to Salinas for the Missions Conference on Tuesday night. They were encouraged to be able to visit the church in Salinas for the first time and said the best part was seeing Dani's pictures and hearing about the work in Madagascar.
4. We had a precious time celebrating Robynn's 25 years as a missionary. Some visitors came that came to Sunday School as children as well as friends from Belém from the early days when she worked with street children.
