Dear Praying Friends,

For years July has been VBS month for John and Fernanda in the villages of Big Yard, Liberty and São Luis. This year VBS looks a little different but it is still going on! Fernanda and Val made videos of the lessons and then loaded them on to a tablet. John and Fernanda have been doing VBS on Saturdays as they are able in Big Yard. A lady and her daughters shared the videos with children in São Luis last week and next week Liberty is to have their week of VBS. Please pray for the Lord to use His Word in hearts!

VBS group in São Luis

John has been sick for the last ten days with fever, headache and dizziness. His covid test came back negative and he is waiting for further test results, but starting to feel a bit better.

Robynn has been able to see family , friends and supporters this past month. Her appointment with the rheumatologist went well and time will tell if the adjustment in medication will help with her pain. She will be in the Hagerstown area most of this month and then start travelling again at the end of the month Lord willing. This has been an unusual furlough as she continues to send Bible and English class videos back for ABRE classes on Friday. Last week, she also prepared a Bible study on Acts 17 for women that we were able to share with contacts from eight different villages as well as with ladies from the Caranazinho neighborhood here in Salinas. Pray that these ladies will be like the Bereans and search the Scriptures for themselves! Pray also for travel restrictions to be lifted between Brazil and the U.S so that she can return as planned in November.

This past month we have seen the Lord open contacts in contacts in several more villages to receive online SS classes and devotionals for women – Helderlandia, Iraquara, Jari, Cuxiu and Seven Hills. We have also seen the Lord working in dona Francisca and family in Jutaizinho and ask that you pray for this precious family. Pray for continued health, safety and wisdom for Hannah as she prepares video classes and follows up on contacts.

**Love in Him,
The Renos in Brazil**
