

September 2018

Dear Praying Friends,

Thank you so much for your faithful prayers and support. The second Sunday of August was Father's Day here in Brazil. John went with us to Jutaizinho and Jutai and spoke about our Heavenly Father. We were thrilled to have two men visiting in both villages. In the service in Salinas we had four fathers visit the evening service. One of those has come back several times since then. (picture below)

Carolyn is 2 years old.

Deborah is 5 years old.

Bobby is 7 years old

September 1st we have set up an early evening baptismal service for dona Val. She is the first in the village to take this step and we are so thankful for her obedience to the Lord. Please continue to pray for her husband, Indio's, salvation. Her daughter Valdiane is faithful to Sunday School and our monthly services and though we see the Lord at work in her heart, she is still not saved. Another lady that comes regularly asked this month what she needed to do to be able to tithe. We talked with the people and this past Sunday they began bringing tithes and offerings. What a joy it is to see the Lord at work! Please continue to pray for the work in Jutai.

John and his family are just days away from leaving for their six month furlough. Please pray for their trip and settling into life in the States again!

Please pray also for the church in Salinas while they are away. We are so thankful that John has been able to line up different speakers for the Sundays he is gone, but know that this is a time when the church will be especially vulnerable.

Please pray for Robynn and Hannah on the 14th of September as another trip to the village of Jari has been planned. We hope to teach a Bible class to the morning and afternoon students as well as possibly the morning students in the villages of White House and Dry Arm.

Thanks again for upholding us in prayer!

Love in Him,

The Renos in Brazil
