

# *November 2018*

Dear Praying Friends,

Robynn and Hannah enjoyed a quick visit from our parents this past month. Dad was able to preach in Jutaizinho, Jutai and Salinas. Both Dad and Mom visited ABRE and had amazing opportunities as the young people asked all kinds of questions. “Why do you think your message will change the world? – How do you think you can change someone’s attitude? – How would you answer an atheist that says there is no God? - Are you a missionary? - What virtues does a missionary need? – How do you feel about your children being missionaries? – How many years have you lived like this? – Do you think it is a worthwhile life? – Do you like Brazil?” and on it went! They also had profitable visits with people in our home. Our people love Dad and Mom and are always blessed by the time they spend here.

We often do not mention security concerns but feel we would be remiss to not publicly thank the Lord for His protection on the roads this past month. Twice we came across apparent carjacking situations and the Lord delivered us. We spend a lot of time on the roads on Sundays, Thursdays and Fridays with our work in the villages and ask that you pray with us for safety.

Thank you for praying for the church plant in Salinas during these months of John's absence. We are thankful to see the Lord strengthening the believers and bringing in visitors! We will be celebrating 18 years since the first Sunday School class began on the 11<sup>th</sup> of November. Please pray as we invite visitors and for Raimundo as he preaches that evening. Pray also for special speakers that will be coming in the first, third and fourth Sundays.

We see the Lord at work in both Jutaizinho and Jutai Grande. Please pray with us for conversion of adults that are coming to Bible study.

November 9<sup>th</sup> Robynn and Hannah hope to revisit the villages in the Bonito municipality. Please pray for classes in the schools in Jari and White House. Pray also that they will be able to get into the school in Dry Arm.

As we look towards the end of the year, we are hoping to reach 16 neighborhoods/villages with the Christmas bags for children and devotionals for adults. Would you pray with us for these areas as we get ready to sow the seed? (Jari, White House, Dry Arm, Saizal, Stevia, Straw Town, Itaiquara, Vila Nova, Yellow Wood, Jutai, Jutaizinho, Caranazinho, Bom Jesus, Big Yard, Liberty and Pakuja) "They that sow in tears shall reap in joy. He that goeth forth and weepeth, bearing precious seed, shall doubtless come again with rejoicing, bringing his sheaves with him." Psalm 126:5,6

John and family have been a help in the home church this past month. Pray for them as they will be in missions conferences and visiting supporters and friends this next month.

Thank you so much for your prayers and support.

Love in Him,

The Renos in Brazil
