Dear Praying Friends,

On June 28<sup>th</sup> we will be celebrating 25 years since Robynn first arrived in Brazil as a missionary. In the last year she has struggled with her health, but even still is active in three Sunday Schools, youth work, classes in schools in Salinas and 7 villages and is responsible for our monthly devotional Bible study that is being used in Salinas and the villages too. She also keeps close contact with Dani, our missionary in Madagascar and is able to encourage and help her. We are so thankful for Robynn and all the Lord has done and is doing through her! If you would like to send her a note to be shared at the celebration please send it to [hreno128@yahoo.com](mailto:hreno128@yahoo.com).

Many of you have been praying for the Caranazinho neighborhood since we first distributed literature and Christmas bags there last December. When Hannah was able to start teaching in the school there in April (Basic English and Bible for 5<sup>th</sup> graders), we began to pray about the possibility of using the school there for Sunday School classes. While we were in the process of working out the details for that, Robert a 9 yr old boy that has been saved and lives in that neighborhood got a burden for his classmates. He and his mother, Adrieli started a Bible class on Saturday mornings and began inviting his friends. The Saturday before we started Sunday School classes, Robert and the children from his Bible club helped us pass out invitations in the neighborhood. What a joy it has been to help him get his lessons ready and see his desire to reach his friends. Please pray both for his Saturday morning Bible club and Sunday afternoon Sunday School classes in Caranazinho.
