Dear Praying Friends,

Thank you so much for your fervent prayers on our behalf! John is feeling some better but still struggling some. Robynn too has noticed improvement and looking forward to scheduling her return in November as restrictions for entrance to Brazil have eased for those who are residents. In addition we have watched God work in ever so many ways and invite you to rejoice with us as we share pictures from our month.

John and Fernanda have begun a reading time for the Liberty kids and discovered that many need to learn how to read. Fernanda has taken on the challenge of working with them starting with the very basics – the vowels!

This little lady has been slowly learning to last month she read her first Bible verse out study. Pray for dona Ana as she continues she can read and study the Word of God for herself!

read! Just this loud in Bible to learn so that

Our hearts have been thrilled to see our people reaching out in these difficult days. Lohane has continued to work with the children in São Luis after VBS, Robert had a Bible class in his home teaching about Joseph and Mariana has shared various Bible stories in Jutai. Dani recently had 6 children in Madagascar earn their Bibles through Bible memorization even as she did back in Brazil nearly 20 years ago.

Bobby and Deborah have continued to study on-line this last month while Carolyn has been able to go back to school some. Classes in private and public schools are expect to resume gradually this month. Pray for Bobby, Deborah and Carolyn as they adjust to a new normal and also for Hannah as she will be exploring opportunities in the public schools once again.

Hannah together with a pastor, his wife and two young people was able to visit in several villages, following up on contacts from on-line SS classes and devotionals for women. They also were able to establish contact with two new families. Pray much for wisdom, in following up with those contacts, knowing how much to continue sending classes on-line as we begin to meet again and how to balance that with schools reopening.

John has begun holding a class to work with sr. Raimundo, Roberto and Robert. Pray both for wisdom for John and growth in the lives of these that learning to share God's Word.

John and family continue to hold classes in Big Yard also.

Robynn has enjoyed travelling and seeing friends and family and is looking forward to seeing many of you in the next few months! Pray for continued health and safety for her as she travels!

**Thanks so much for your prayers and support!**
