December 2020

Dear Praying Friends,

Thank you for praying for us this past month! Robynn was able to return and is readjusting to the heat and climate here. Our dad and nephew Stephen came with her and will be here until December 3rd. We enjoyed having them here for Thanksgiving. Dad also preached a three night meeting emphasizing missions in Salinas and has been able to visit several villages. Stephen spent a weekend in the villages with Uncle John and family and then a weekend with his aunts visiting several villages. He also spent two days in the school that Bobby, Deborah and Carolyn attend. What a blessing to have them here and sharing in the work these days.

Praise the Lord John was able to get the construction project in Sao Luis ready for services. Pray for John and family as they minister in Big Yard, Liberty and Sao Luis on the weekends! They are working on a Christmas program as well as preparing 5 adolescents for baptism, plus Bible classes and services.

Hannah with lady from Murure

Christmas bags being put together.

Thank you for praying for Hannah's visit to Cuxiu. Years ago a converted couple moved to the village of Murure. With no church in the village, they walked most of 12 miles to get to church. Eventually they saw people reached in their village and a congregation formed that is now reaching out to the village of Cuxiu. Hannah had precious fellowship with them and we look forward to working together this next month on the Christmas bag project.

We have just started putting the 2,000 bags together. We are waiting for more bags to be delivered to be able to continue. Praise the Lord we have 1,000 devotionals ready to offer to the adults. Just yesterday a lady stopped Hannah in a store and asked for a devotional. Marcia works at the hospital and wanted to be able to share the daily readings with patients. We will be ordering 500 more devotionals and look forward to distributing them with the Christmas bags in the month of December.

The land in Jutai is now fenced and has a gate! Just last week we received a donation of almost a thousand bricks and some sand. A lady who had started a Pentecostal church on our street had bought the bricks and sand for them to build. During the pandemic the group dispersed and so she offered the materials to us! Our people were amazed to see the Lord's provision.

Thank you for your prayers and support. We hope you have a blessed holiday season celebrating the birth of our Lord!

Love in Him,
