Dear Praying Friends,

Once again we thank you for praying for us and the work here in North Brazil. In our last letter we were uncertain whether new COVID restrictions would slow us down this past month and they didn't. However, Hannah got a light case of the virus and thus needed to isolate and that did slow us down. We are ever so grateful that it was a light case, that her "get up and go" is slowly returning, and that so far Robynn has managed to avoid it.

Robynn was able to continue as planned with the adolescent meeting in Jutai with Bobby's help.

Thank you to many of you that prayed and gave so that Robynn could change her car! In December she was able to purchase this Duster. Already this has been a blessing in making getting in and out easier for Robynn. It is an automatic

which has been a huge help too. Several weeks ago we headed to a village several miles off of the paved road and it handled the muddy road just fine. Praise the Lord with us for this wonderful blessing!

Since our last prayer letter we have been able to have two young adult meetings in our home. Most of these came to youth group years ago and have often commented on their memories, so we decided to get them together again. At the end of the first meeting, one of the ladies asked that we make it a monthly meeting and so we are working to do that. Pray as we have renewed opportunity with these young adults, many of whom have never been saved!

Robynn has been busy retyping Bible lessons on the gospel of John in a format that the Salinas families can study together in their homes and then come together to discuss what they learned during Sunday School.

Another project she is working on is organizing a group of lessons from Creation to Christ that we hope to use in Monkey Hill and perhaps several other villages that are beginning to open up. As we look at the many opportunities and the shortage of workers, we have been challenged to bring people along side of us and train more teachers. Pray with us as we seek to do that.

Adrielli and Robert asked us to come visit their Bible club this past month. We were thrilled to see their growth and development in working with the children as well as hear all that the children have been learning. May the Lord continue to raise up laborers to reach out here in Salinas and the regions beyond.

Thank you again for your prayers and support! Love, Robynn and Hannah Reno
