Dear Praying Friends, November 2026

Thank you so much for your prayers, support and many kindnesses this past month. God's comfort and strength have been very real to us as a family as we are grieving the loss of our dad. In the midst of missing him, we also are comforted at the thought of him being with our Lord and Savior, and how sweet to think that he can see again 😊 I am incredibly grateful that I was able to be with him and most of the family as he passed, as well as spend the first few weeks afterward with our mom. As Mama has said, "The Lord has been so gentle with us in preparing us and walking us through this."

This last weekend, I began updating supporting churches and will focus on that during November and the first part of December. November 1st-4th is Missions Conference at my home church. The very next day I will begin my trip to the South where I will spend the next six weeks visiting supporters, friends and ministry partners. Please pray for safety as I travel and that I will be able to be a blessing and encouragement to the many who have blessed and encouraged me in the work in Brazil for so many years now.

Meanwhile in Brazil the work continues. Most weeks I am able to see pictures of Sunday School and services both of Salinas and Jutai. The picture on the left is of three members in Salinas visiting a needy family. Please continue to pray for the believers in Salinas and Jutai as they continue to reach out.

Love in Him, Hannah Reno
